# SENIORS

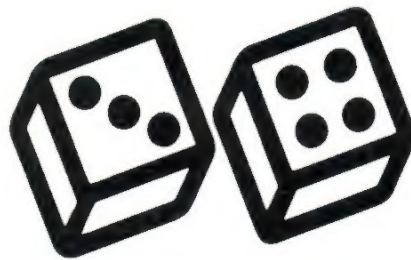

We came together in 1978 for the first time as a class of twenty. Throughout the years we've added and lost a few but have always remained a small class. In the past thirteen years we've accomplished much. We learned to stick together early because of our size, causing us to become very close.

In this last year at C.H.S. our ties have grown stronger and we'll never forget the times we've had, both good and bad.

We the class of '90 wish to treasure this year, our last at C.H.S., and we will hold on to our memories.

"We know we're bad!"

# Check This Out . . .

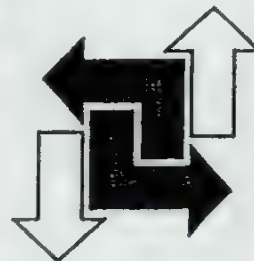

We forgot how to dress.

It's Friday.

Homecoming is fun.

Nobody cares.

Flying high . . .

Don't take my picture.

HELP!

So. what's the point.

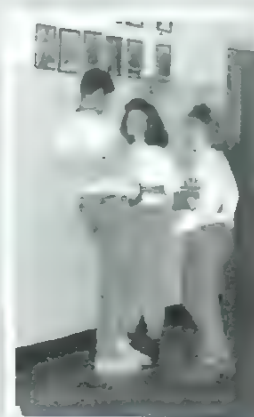

Hey Dude.

What a day.

Lunch is great.

On again, Off again.

We're in the spotlight.

We love Biology.

Take our picture.

We know we're bad.

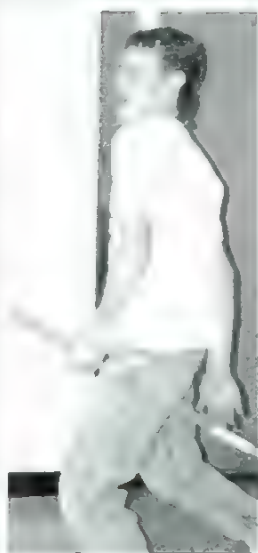

No way, Eric.

Communications is great!

Have you seen John?

Are you ready to play?

I'm getting stiff.

Let's fly.

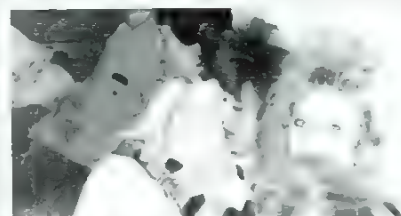

This is so fun.

What a day.

Woops ...

Who are you?

We love school.

Smile.

Leave us alone.

We're waiting for Friday.

WE APPRECIATE THE 1990 ROCKET ADVERTISERS AND BOOSTERS!

As we leave  
We travel backward  
In our minds  
To times now gone,  
To the days of happiness  
And joy and pain and tears.  
The struggle is great.  
In our hearts is  
The longing to stay  
To remember,  
To cherish,  
But the driving force  
To carry us forward  
Rules.  
And, as we move  
Ahead we believe  
That happiness  
And joy  
Will come  
Again.

Brandy Prater
